

“The greatness of community is most accurately measured by
the compassionate action of it’s members.”

~ Coretta Scott King

Hello;

We think about community as being a group of people who care about each other and feel like they belong together. It is a sense of trust, of belonging, of safety, and of caring. It’s all about the people, and how we can walk together, listen to stories, and make them part of our community – as we all achieve the success and satisfaction of reaching our goals.

SCE LifeWorks supports Manitobans with developmental disabilities in finding and building on valued roles within the community. We believe people should be supported in inclusive settings where they are respected and rewarded for their efforts, skills, and accomplishments. We support individuals’ goals rather than program goals. This is our commitment, and in asking you to purchase a membership, we want it to be yours. Membership includes the following benefits:

- Eligibility to vote at the Annual General Meeting
- Information regarding our special events
- Access to our resource library at the SCE LifeWorks office
- A charitable income tax receipt

and the most important feeling of community responsibility and engagement.

As a member, you are an integral part of our community, and in purchasing a membership, you support the governance of our organization, provide us with valuable financial assistance, and enable us to provide quality service and promote community inclusion. Your support is a key component of our ongoing success.

Please read through the following information and choose the membership which best fits your current needs.

- Individual Membership (\$15) – One member, one vote
- Family Membership (\$30) – Up to five members, up to five votes living in one home or may include an SCE LifeWorks supported person in a separate residence. Members must be identified at the time of purchase.
- Corporate Membership (\$125) – One member, one vote. Includes up to 3x sensitivity training per year.

Thank you for your compassionate action as a member of the SCE LifeWorks Community!
